

Hereunder, please find the list of the recurring flea markets. They are listed by province and by town (all towns of one province are in the same color). I personally like the Sint Truiden flea market as it is really huge and you can get some pretty good deals. Actually, it is not always on the largest markets that you can find good deals. Hope you enjoy these and please, give me some feedback if you visit one of the following.

PROVINCE/TOWN	Antiques or Flea Market	LOCATION	DATE	TIME	TEL #
